For over 13 years, Magnus Fireworks has established itself as a steadily expanding, premium designer brand. Sourced from top-tier factories in China and exported worldwide – with a strong focus on the USA market – we are dedicated to delivering exceptional value.

We partner with our clients to provide high-quality, market-driven fireworks at competitive costs. Selling Magnus Fireworks empowers you to build your reputation and achieve greater profitability by delighting your customers with superior products.

This year marks an exciting evolution:

- ★ New Upgraded Trademark & Brand Identity: We've launched a refreshed, professional look.
- ★ Captivating New Product Line: Our expert design team has introduced an innovative range, including a special commemorative collection celebrating the USA's 250th Anniversary, designed to captivate the market.
- ★ Premium Packaging Enhancements: Significant upgrades elevate the unboxing experience and product presentation.

We are confident these strategic upgrades will ensure Magnus Fireworks continues to be a favorite among your customers.

When seeking a reliable, premium fireworks supplier and a solid brand from China, choose Magnus Fireworks. We are committed to serving as your trusted partner and look forward to building a brilliant future together!
